

Heartbreak

Destroys mountains

As tears flow

And erode strong stone.

Sadness.

Infinite ways to

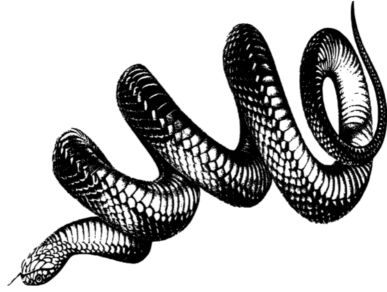

Envision a loved one's death.

Morbid thoughts creep up.

Human tendency

Remains unchanged through the years

Because we're creatures.

Snakes

Bite hard

And leave marks

Of red and black.

Ouch.

If you don't believe,

Are nothing but a mirage

Fengest miracles

Panic solves no qualms.

Worry accomplishes naught.

Fear gives you wrinkles;

Ripping

My tights

For the look

Of a grungy girl.

Edgy.

Demons

Dance along

The thin line

Of what God allows.

Indeed.

Decayed

Rose petals

Evoke an emotion

Many rarely wish to

Experience.

Galore.

Snags, and broken hearts

Come with costs,

Often dreamy,

Ideals,
