Haiku and Elfchen

Demons

Dance along

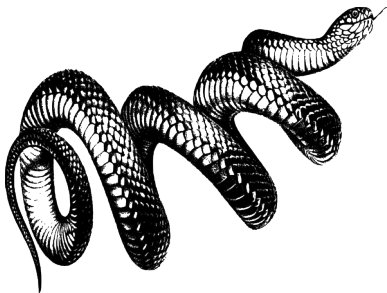

The thin line

Of what God allows.

Indeed.

Ideals,
Often dreamy,
Come with costs,
Snags, and broken hearts
Galore.

Decayed
Rose petals
Evoke an emotion
Many rarely wish to
Experience.

Snakes

Bite hard

And leave marks

Of red and black.

Ouch.

Fear gives you wrinkles;
Worry accomplishes naught.
Panic solves no qualms.

Pengest miracles
Are nothing but a mirage
If you don't believe.

Heartbreak

Destroys mountains

As tears flow

And erode strong stone.

Sadness.

Infinite ways to

Envision a loved one's
death.

Morbid thoughts creep up.

Human tendency

Remains unchanged through
the years

Because we're creatures.

Ripping

My tights

For the look

Of a grungy girl.

Edgy.
